Fort St. George, May 20, 1927
(G.O. Mis. No. 1846, L. & M.).

No. 656.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of Government that Sri Chowdeswari temple in Muninadugu village, Penukonda taluk, Anantapur district, was under the control of the Hindu Temple Committee, Penukonda taluk, before the Madras Hindu Religious Endowments Act came into force and that it is now outside the scope of Act II of 1927 as its annual income is less than Rs. 250, that there is no trustee for the temple to look after its management, and that the inam lands of the temple are about to be resumed as the *Pujari* of the temple is unable to recover the lands from the persons into whose possession they have in some way passed. The Board accordingly requests the Government to apply to the temple all the provisions of the Madras Hindu Religious Endowments Act, 1926 (Act II of 1927), except section 60 (which relates to the levy of contributions towards the expenses of the Board and the Committee) with a view to take early action to recover the inam lands of the temple and to improve its management. Before issuing a notification under the proviso to section 4 of the Act as recommended by the Board, the Government desire to know whether the Pujari or any worshipper at the temple has any objection to urge against the application of the Act. If no valid objection is received by the Government within a month from the date of publication of this notification in the District Gazette, they will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act except section 60 to the said Sri Chowdeswari temple in Muninadugu village, Penukonda taluk, Anantapur district.

Fort St. George, May 17, 1927
(G.O. Mis. No. 1847, L. & M.).

No. 657.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of the Government that the three temples in the village of Nellanur, Tudpatti taluk, Arcotapor district, specified in the annexure the annual income of each of which is less than Rs. 250 and which are thus outside the scope of the Hindu Religious Endowments Act, 1926 are in a neglected condition. It is reported that there is neither a trustee nor an archaka for the temples, that puja and naivedyam are not performed, that the temple lands, if properly managed and leased out in public auction, might fetch twice the present rents and that the committee has done nothing to improve matters. In the circumstances, the Board requests the Government to apply to these temples all the provisions of the Madras Hindu Religious Endowments Act, 1926. The Board is of opinion that the temples can afford to pay the contribution due to the Board and the committee under section 60 of the Act, if the lands are properly leased out and the income therefrom improved. Before issuing a notification under the proviso to section 4 of the Act as suggested by the Board the Government desire to know whether the President of the Tudpatti Taluk Temple Committee or any worshipper at the temples in question has any objection to urge against the application of the Act. If no valid objection is received by Government within a month from the date of publication of the notification in the District Gazette they will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act to the three temples in question.

Resolved that the estimate be approved and that the expenditure be debited as suggested.

Read also G.O. thereon Mis. No. 376, Finance (Marine), dated the 9th July 1926, sanctioning the estimate.

Resolved that subject to sanction of Government (1) to a revised estimate for the work of renewing three small buoys in the harbour, which should be submitted for their sanction, in lieu of the estimate sanctioned in the Government Order above referred to, (2) to the payment to Messrs. Richardson and Cruddas urgently required for their works in the harbour premises 500 c.ft. of 1½ inches, and 100 c.ft. of ¾ inch broken granite stone, he had sold them the above quantities of stone at Rs. 4-8-0 per ton of 24 c.ft. for 1½ inches metal and Rs. 26-8-0 per 100 c.ft. of ¾ inch metal—the rates at which they are issued to the Trust's works—plus ten per cent thereon to cover establishment charges, and requesting that the sale be confirmed.

Resolved that the sale of the additional 5,500 empty (cement) gunny bags to the Madras and Southern Mahratta Railway at the rate of Rs. 20 per 100 bags be confirmed.
